Positive Relationships!

JOIN TODAY!

We are a group working to weave a community-wide network of relationships, opportunities, supports and experiences- developmental assets-that our children and youth need to thrive.

No one person or organization can create this, it takes many adults and parents partnering with many youth along with groups like; the Family Resource Center, the Winneconne Community Development Assn., the Winneconne Community School District.

Please join us! Lend your time, talents, resources and help your community see young people for the treasures that are. Call Youth Leader, Brittany Running (582-9401) or Marlene Lenz, WCDA (582-4851) or Winneconne Middle School (582-5800)

Yes, I am interested in promoting **ASSETS** in the Winneconne area.
